

CURRICULUM VITAE

Xiao Wei

Personal Information

Address: School of Economics, Fudan University, Room 305, 600 Guoquan Road, Yangpu, Shanghai, 200433

E-mail: weixiao@fudan.edu.cn

Education

Columbia University, Ph.D. in Applied Mathematics and Applied Physics, 2010

Columbia University, M.Phil. in Applied Mathematics and Applied Physics, 2007

Columbia University, M.S. in Applied Mathematics and Applied Physics, 2005

University of Science and Technology of China, B.S., 2003

Academic Affiliation

Professor, School of Economics, Fudan University, September, 2019 -

Researcher, Shanghai Institute of International Finance and Economics (SIIFE), 2018 -

Researcher, School of Economics, Fudan University, August, 2016 - September, 2019

Visiting Scholar, Sol Snider Entrepreneurial Research Center, Wharton School, University of Pennsylvania, February, 2012 - August, 2018

Research Assistant to Professor Larry Selden, Graduate School of Business, Columbia University, June, 2010 - August, 2018

Honors

The National Youth Talent Support Program, 2019

2016-2017 Outstanding achievement award of Philosophy and Social Sciences in Shanghai, First Prize, 2018

Shanghai Pujiang Program, 2018

Distinguished Expert, Shanghai Thousand Talents Program, 2018

Presentations

1. 20th Annual Conference, Society for the Advancement of Economic Theory, Virtual, "Demand Tests for Changing Tastes," (2021).
2. ASSA 2021 Virtual Annual Meeting, "Time Consistency, Temporal Resolution Indifference and the Separation of Time and Risk," (2021)
3. The Econometric Society & Bocconi University Virtual World Congress, "Aversion to Intertemporal Substitution and Risk in Time Lotteries and Private Equity Investments," (2020).

4. North American Summer Meeting of the Econometric Society, University of California - Davis, "Capital Risk: Precautionary and Excess Saving," (2018).
5. 18th Annual Conference, Society for the Advancement of Economic Theory, Institute of Economics, Academia Sinica, "Dynamic OCE Choice: Time Consistency and the Separation of Time and Risk," (2018).
6. European Meeting of the Econometric Society, University of Lisbon, "On Integrability and Changing Tastes," (2017).
7. Annual Congress of the European Economic Association, University of Lisbon, "Integrability of Demand in Incomplete Markets: Kreps-Porteus-Selden Preferences," (2017).
8. North American Summer Meeting of the Econometric Society, Washington University in St. Louis, "On Integrability and Changing Tastes," (2017).
9. North American Summer Meeting of the Econometric Society, University of Pennsylvania, "A Contingent Claim Theory of Non-Expected Utility," (2016).
10. Royal Economic Society Conference, University of Sussex, United Kingdom, "What Are Asset Demand Tests of Expected Utility Really Testing?" (2016). (Due to my visa problem, the presentation is made by Professor Felix Kubler instead).
11. North American Summer Meeting of the Econometric Society, University of Minnesota, "Changing Tastes, Effective Consistency and Narrow Bracketing," (2014).
